

Alaska Department of Labor and Workforce Development (ADOL) Announcement
ADOL Claim Administrators and Vendors – EDI R3.1 Implementation Effective 5-17-21

Date: October 15, 2019

To: ADOL Claim Administrators and EDI Vendors

This is a notice that ADOL is going to implement the IAIABC Claims EDI R3.1 for Claims effective 5-17-2021. Our goal is to have the final draft requirement tables available for testing no later than 5-18-2020.

ADOL is looking for ways to streamline requirements and is soliciting feedback from the trading partners for any proposed edits or suggestions. For example, one proposal is to simplify sequencing by removing the FROI 04, SROI 04, PD, and FN MTCs.

We welcome your feedback and thank you for your continued support. Please send questions or comments to dol.workerscomp.edi@alaska.gov.

Thank you,
